

2005 President's Pro Bono Service Awards

THE STATE BAR OF CALIFORNIA

AWARD GUIDELINES

The President's Pro Bono Service Awards were established in 1983 by the State Bar Board of Governors. The awards recognize California attorneys who have provided or enabled the direct provision of legal services to poor persons or to organizations whose primary purpose is to provide legal services to the poor, free-of-charge, without expectation of compensation from the client.

A nominee may be a lawyer, law firm, or team of lawyers, or association of lawyers, depending on the category. A nominee may be nominated for more than one category if applicable. For example, a recent admittee who is also a solo practitioner can be nominated in both categories. Nominators may make more than one nomination for an award; a separate form is required for each individual's nomination. (An online version of the nomination form is also available for downloading on the State Bar's web site, www.calbar.ca.gov)

AWARD CATEGORIES

Awards may be given to one recipient in each of the following eight categories:

- **Corporate:** An individual attorney or team of attorneys employed by the corporation.
- **Government:** An individual attorney or team of attorneys employed by a local, state or federal government agency.

- **Recently Admitted:** An individual attorney in his or her first four years of practice (please note that this category is distinguished from the Jack Berman Award of Achievement sponsored by the California Young Lawyers Association. See enclosed guidelines for the Jack Berman Award.)

*Note: If a law firm is nominated on a statewide basis, nominator should select the large, medium or small law firm category according to the total number of attorneys employed by the firm statewide. If a branch office of a law firm is being nominated, nominator should check the "branch" category box of large, medium or small law firm according to the total number of attorneys in that specific branch office.
